WORK EXPERIENCE

Waterloo Bucks Baseball | Waterloo, IA

Camera Operator & Video Editor | May 2026 - Present

Operated first base camera for all 36 home games broadcasted on FloSports. Tracked plays, and captured engaging ballpark shots. Edited team hype videos played during each home game.

925 Plan LLC | Remote

Website Designer | Jan 2026 - Present

Designed University of Alabama Connecticut Alumni website. Utilized website design tools and SEO marketing strategies on Wix to maximize website reach. | [RollTideCT.com](#)

The Crimson White | Tuscaloosa, AL

Staff Videographer | Sep 2025 - Present

Film and edit news stories for school newspaper and social media. Assignments include videoing Alabama men's and women's basketball, baseball, softball, and soccer and producing high-quality edited videos on short deadlines.

NBNY Photography | Harrison, NY

Founder | Sep 2023 - June 2025

Founded and managed a sports photography and videography business to film, photograph, and create highlight videos for 18 high school sports teams. Managed a business social media account with more than 1 million views. Also created video content for real estate and health care clients.

PPI Recruits | Various Locations

Videographer & Editor Intern | Aug 2023 - May 2024

Hired by and worked closely with an NFL consultant and a former NFL player in the leading international college recruiting and placement platform for American football players. Traveled to Penn State, Notre Dame, and Temple universities to film on-field content for international football coaching clinics. Worked directly with coaches to produce promotional videos.
